Preparation

Creating Sacred Space

Choose a quiet, clean space where you can focus without interruption. Cleanse the area using smoke, sound, or visualization. Arrange your spell components intentionally. If you cast a circle or call upon guides, do so now.

Take a few deep breaths. As you exhale, release tension or scarcity. As you inhale, welcome the feeling of expansion, openness, and flow.

Setting Intention

Hold the 6 coins in your hands and close your eyes. Reflect on what abundance truly means to you—ease, opportunity, support, freedom, wealth.

Feel into the energy of the number six: a sacred number of harmony, flow, and aligned manifestation. Six invites balance between giving and receiving, and anchors prosperity in both spiritual and material realms.

Visualize your life filled with more than enough. Let golden light gather in your heart and hands as you prepare to direct that energy.

Spellworking

Use your crystal-accented herbal spoon to sprinkle a layer of the Prosperity & Wealth Herbal Blend into your candleholder. Let this become the fertile ground for your intention to root and grow.

Hold the Prosperity Spell Candle between both hands. Envision golden energy flowing into it—filled with wealth, freedom, and sustainable increase. Whisper your desire aloud. Place the candle into the herbal-filled holder.

Arrange the 6 coins around the candleholder in a circle or flower-like pattern. As you place each coin, speak aloud one form of abundance you're ready to receive (e.g., "support," "growth," "overflow," "stability," "freedom," "joy")

Hover your hands above the coins and chant:

*"Silver and copper, bronze and gold,
Energies rising, blessings unfold.
From these hands, the path is spun—
Prosperous flow has now begun."*

Feel the current of energy building in and around the coins.

Light the candle and allow the built-up energy to be carried outward on the flame. As the wax warms and the herbs release their energy, speak:

*"Coins of six, and flame of gold,
Open paths for wealth untold.
Flowing freely, let it be—
Prosperity now comes to me."*

Let this moment anchor your trust that the spell is already in motion.

If using the Prosperity Key Talisman, hold it in both hands. Visualize a glowing treasure chest before you. See yourself inserting the key, turning it, and opening the lid. Inside, radiant golden light spills forth—riches, resources, and opportunities flowing to you. Say:

*"With this key, I unlock the abundant coffers of the universe.
I receive what is mine, freely and joyfully."*

If you are not using the key, hover your hands over the coins and visualize them transforming into a key of golden light. Speak the same words, knowing the unlocking power lies within you.

Now hold your chosen pouch, box or container in your hands and speak your intention into it. This will become the sacred vessel to hold the power and memory of this spell.

Open the Flow of Abundance

Continued

Closing

Remain present as the candle burns, letting the feeling of abundance settle into your body. If you cast a circle or called in guides, thank and release them now with reverence.

Once the candle has burned completely and cooled, gather the wax remnants, herbs, and coins and place them into your prosperity container. If you used the Prosperity Key Talisman, place it inside as well. Seal the container as a physical symbol of your open channels and activated flow.

Place it on your altar, in your wealth corner, or somewhere sacred where it can continue radiating prosperity energy.

Living in Accord

- Let your actions reflect the abundance you've welcomed in.
- Speak with trust in your future: "I have what I need, and more is on its way."
- Look for opportunities and signs with an open heart.
- Take aligned action when doors begin to open.

Keep your prosperity container visible or revisit it when you feel the need to reconnect with flow. Touch the key or the coins and remember: the channels are open, and prosperity is yours to guide and grow.

Manifest a Specific Financial Goal

To focus magickal energy on calling in a specific financial goal—whether it's paying off debt, reaching a savings target, affording a desired item or experience, or achieving a precise amount of income. This spell directs both spiritual and practical intention into a clear, measurable result.

Materials

Prosperity Spell Candleholder *
 Prosperity Spell Candle *
 Prosperity & Wealth Herbal Blend *
 Crystal-accented Herbal Spoon *
 Optional: Prosperity Key Talisman **
 Small sheet of paper and pen (to write your goal)

Charcoal disc and fire-safe incense burner or electric incense burner (optional)
 Fire-safe dish or heat-safe surface
 Lighter or matches
 * Included in the Prosperity Spell Kit
 ** Optional Spell Kit Add-On

Preparation

Create Sacred Space

Cleanse your space using smoke, sound, or visualization. Set your tools before you with intention. If casting a circle or calling in deities, guides, or spirits of abundance, do so now. Breathe deeply and center your awareness. Let your energy ground and expand.

Setting Intention

Write your specific financial goal on the sheet of paper. Fold it neatly into a square or triangle. Hold it between your hands and visualize it as already achieved.

Visualize the goal as if it's already achieved. Let yourself feel the relief, gratitude, joy, and security this goal will bring. Let that emotional energy begin to rise within you.

Spellworking

Create Your Spiral Path

On your altar or fire-safe surface, draw or trace a spiral. Place your folded goal paper at the center.

Before placing the candle, use the crystal-accented herbal spoon to sprinkle a small pinch of the Prosperity & Wealth Herbal Blend into the base of your spell candleholder to symbolically ground the working.

Using the spoon, slowly sprinkle the Prosperity & Wealth Herbal Blend along the spiral, starting at the outer edge and working inward toward your written goal.

As you move inward:

Inhale: draw golden energy into your body

Exhale: release doubt, fear, or energetic resistance

When you reach the center, hover your hands over the spiral and pulse your breath three times, charging the path. Then speak:

*"From seed to spark, the path is made,
 By will, by word, by light conveyed.
 This spiral winds, this goal takes form—
 Prosperous current now is born."*

Hold the Prosperity Spell Candle in both hands and charge it with your intention. Visualize golden light filling the candle with power and clarity.

Whisper your goal into the wax, then place the candle into the herb-lined candleholder, positioning it directly above the folded goal paper. Light the candle and say:

*"What I have named, I now receive.
 What I envision, I now believe.
 Prosperous flow and goals align—
 The wealth I seek is now divine."*

As the candle burns, visualize your goal attracting the support, ideas, and resources it needs to manifest.

If you have the Prosperity Key Talisman, hold it gently in your hands and close your eyes.

Visualize the spiral you've created as a locked mailbox or treasure chest—its surface etched with your goal. Know that the goal is already delivered, waiting for you to open it.

See yourself inserting the key and turning it. As it opens, radiant golden light flows out—your goal released into your life. Say:

*"With this key, I claim what's mine.
 Aligned and clear, the stars align.
 I open the lock, the goal I see—
 Abundance flows now home to me."*

If you don't have the key, place your hands over the spiral and visualize a key of golden energy forming from your own power. Repeat the same words and see the lock release.

Manifest a Specific Financial Goal

Continued

Spellworking, continued

Now, carefully remove the folded goal paper from beneath the candle. Place it into your fire-safe dish and light it from the candle flame. As it burns, speak:

“As this burns, so it shall be—
My goal released and sent to me.”

Watch the smoke rise and feel your intention carried upward and outward, set fully in motion.

Closing

Let the candle burn safely to completion, or snuff it out when the energy feels complete. Once cooled, you may:

- Place the remaining herbs and wax into your prosperity container
- Keep the spiral drawing as a visual charm on your altar
- Hold the Prosperity Key or your own token as a reminder of what you’ve activated

Offer thanks to any energies or guides you called upon.

Living in Accord

Walk the path you just cleared with confidence.

- Take practical steps in alignment with your goal
- Speak about your needs and desires with trust, not fear
- Pay attention to opportunities that arise—you’ve sent out the signal

Use the Prosperity Key Talisman or spiral drawing as a daily anchor. You’ve claimed your goal
—now welcome its arrival.

* Included in the Prosperity Spell Kit

** Optional Spell Kit Add-On

Preparation

Create Sacred Space

Cleanse your space using smoke, sound, or breath. Arrange your tools neatly.

If casting a circle or calling in financial guides, ancestors, or deities of abundance, do so now.

Setting Intention

Decide what your charm will represent. Is it to draw consistent income? Support your business? Help you feel worthy of wealth?

On a small slip of paper, draw a simple sigil to represent abundance attraction. You can create your own by condensing your intention into a symbol, or simply draw a symbol that resonates—such as a spiral, coin with rays, triple spiral, or rune for wealth.

Choose the talisman you'll be charging—either the Prosperity Key Talisman or a coin, crystal, or item of your choosing. Hold both the sigil and the charm in your hands and state your intention clearly aloud.

Spellworking

Use your crystal-accented herbal spoon to place a small amount of the Prosperity & Wealth Herbal Blend into your incense burner. Light the charcoal disc or turn on the burner.

Hold the Prosperity Spell Candle in both hands. Focus your intention into it—imagine a golden current of abundance rising and weaving through the wax. Place it into the citrine-accented holder and light it.

Pass your sigil paper through the herbal smoke three times. As you do, speak:

*“This symbol shines with wealth and grace—
Abundance flows to every place.”*

Set the paper beneath or beside the candleholder.

Hold your chosen charm or Prosperity Key Talisman in the smoke above the herbs and flame. Close your eyes and visualize a spiral of gold light wrapping around it, pulling in success, opportunities, generosity, and flow. Say:

*“Magnet of fortune, strong and true—
I call abundance now to you.
Prosperity flows where you reside,
My wealth expands, none shall divide.”*

Feel the object pulsing with radiant energy. Imagine it absorbing every bit of magick you've raised. Once the charm is charged, hold it tightly and say:

*“This charm is charged, this work is done—
Abundance flows and has begun.”*

Place it beside the candle as it finishes burning or keep it on your altar until you're ready to use it.

Closing

Let the candle burn completely in a safe setting, or extinguish it respectfully when the energy feels settled.

Gather the sigil and talisman. You may fold the sigil paper and keep it with the charm or place it under a money bowl, register, or wallet. Thank any spirits or energies you worked with, and release your circle if cast.

Scatter the remaining herbal ashes outdoors or bury them as an offering.

Living in Accord

Carry or place your prosperity charm where you want energy to flow:

- Wallet, purse, or pocket
- Cash drawer or point-of-sale area
- Home altar, business desk, or front door threshold

Touch or interact with the charm regularly—hold it, breathe with it, speak to it.

Let it become a physical link between you and the abundance you're calling in.

Secure a Specific Source of Income

This spell is designed to magnetize and secure a specific income stream—such as landing a particular job, receiving a raise or promotion, attracting aligned clients, or increasing steady sales in your business. It combines clear intention, energetic release, and candle magick to empower the manifestation of the precise financial channel you're calling in.

Materials

Prosperity Spell Candleholder *
 Prosperity Spell Candle *
 Prosperity & Wealth Herbal Blend *
 Crystal-accented Herbal Spoon *
 Optional: Prosperity Key Talisman **
 Small slip of paper and pen (to write your desired income source)

Fire-safe dish or cauldron (for burning)
 Lighter or matches
 Charcoal disc and fire-safe incense burner or electric incense burner (optional)
 Fire-safe altar or workspace
 * Included in the Prosperity Spell Kit
 ** Optional Spell Kit Add-On

Preparation

Create Sacred Space

Cleanse your space using your preferred method. Arrange your spell tools on your altar or working surface. If casting a circle or invoking financial guides, spirits, or prosperity deities, do so now.

(Optional) Burn a pinch of the Prosperity & Wealth Herbal Blend on a charcoal disc or incense burner to charge the space.

Setting Intention

On a small slip of paper, write the specific income source you are calling in. Be clear and direct. Examples include:

- “New job at [company name]”
- “Promotion to [position] this quarter”
- “5 new high-paying clients this month”
- “Increased of [number of] daily sales in my online shop”

Hold the paper in your hands and visualize this goal fully realized. Feel the support, success, and prosperity it brings.

Spellworking

Using the crystal-accented herbal spoon, place a small amount of Prosperity & Wealth Herbal Blend into the base of your candleholder to ground the spell.

Hold the Prosperity Spell Candle in both hands. Breathe your intention into it. Visualize golden light surrounding the candle and drawing your income goal toward you. Insert it into the herbal-filled candleholder.

Light the candle and say:

*“By steady flame and sacred will,
 Let this income path fulfill.
 Job, client, raise, or stream—
 I call this in, complete my dream.”*

See the candle's flame as the beacon summoning your desired source of income.

Carefully light your intention paper from the candle flame and place it in your fire-safe dish. As it burns, speak:

*“With this flame, my words take flight.
 Aligned and true, the time is right.
 I welcome what I called by name—
 Now let it come, success and gain.”*

Visualize the smoke carrying your request outward—into the web of prosperity.

If using the Prosperity Key Talisman, hold it gently and close your eyes. Imagine unlocking a golden door marked with the name of your income goal. Watch as it opens and resources begin flowing toward you. Say:

*“This path is open, this door is clear—
 Prosperity flows, I draw it near.”*

Place the key near the candle or carry it with you as your goal manifests.

Closing

Allow the candle to burn safely to completion or snuff it out with intention. Thank any spirits, allies, or guides you called upon. If you cast a circle or created a sacred container, release it now.

Scatter the cooled herb and wax remains in your garden or compost, or respectfully dispose of them in household waste. The paper's ashes may be buried or cast to the wind as a final act of release.

Living in Accord

Bring your spell to life by taking inspired and aligned action:

- Submit applications
- Ask for the raise
- Reach out to ideal clients
- Promote your offerings with confidence

Speak and act as if the opportunity is already on its way. Because it is.
 If you used the Prosperity Key or another charm, touch it daily and reaffirm:
“I am open to receive. The path is clear. The work is done.”
