Preparation

Creating Sacred Space

Cleanse your space using smoke, sound, or visualization. Arrange your tools in a layout that feels throne-like—with the candleholder front and center.

If desired, cast a circle or call upon divine sovereign energies (such as your Higher Self, a Solar Deity, Divine Ruler, Inner Priestess, or Ancestors) to support and witness your spell.

(Optional) Light a charcoal disc or incense burner and sprinkle a pinch of Manifest Success Herbal Blend to charge the space with empowerment and clarity.

Setting Intention

Place both hands over your solar plexus and close your eyes. Breathe deeply. Say aloud:

*"I step fully into my power.
I open to embody the sovereign I already am."*

See a golden light beginning to glow from your center, ready to rise.

Spellworking

Use your crystal-accented herbal spoon to sprinkle Manifest Success Herbal Blend into the base of your candleholder. As you do, say:

*"These herbs awaken my golden flame—
My soul, my crown, my sacred name."*

Hold the Sovereignty Spell Candle in both hands. Envision golden light flowing from the Earth and the stars into your body, collecting in the candle between your palms. See your doubt, fear, and self-silencing dissolve into clarity and will. Say:

"I am the voice. I am the vision. I am the throne."

Insert the candle into the herbal-filled holder.

Light the candle and speak:

*"This flame declares what I now claim—
My truth, my path, my sovereign name.
With power rooted, heart aligned,
I rule myself in sacred mind."*

Watch the flame rise and take your seat in sacred presence.

Sit tall before the flame. Close your eyes and see your Sovereign Self standing before you—regal, grounded, radiant. With every breath, draw that energy into your body—into your crown, heart, spine, and hands. Begin to raise the energy through motion:

Roll your shoulders back, lift your chin. Inhale as if placing your crown. Exhale and root into your seat of power. Whisper or chant:

*"I am the throne. I am the flame.
I am my truth. I rise. I reign."*

Let the words build the current of power within you. With the energy raised, hold your hands over the flame and project your power outward—into your aura, your life, your path ahead. Say:

*"With this light, I take my place—
I lead my life with strength and grace.
My power moves with love and will—
My sovereign soul is calm and still."*

Feel your energy crown settle, anchoring your presence into the world.

If using the Sovereignty Key Talisman, hold it to your solar plexus or crown. Say:

*"I unlock the throne within—
I lead my life, aligned and whole."*

Keep the key as a daily reminder of your truth and authority.

Closing the Spell

When the energy feels complete, extinguish the candle or allow it to burn safely to completion. Thank the energies, guides, or aspects of self you called in. If you cast a circle, release it gently.

Return the spoon and candleholder to a visible altar or place of honor where you can revisit this state of power often.

Living in Accord

- Make a choice today from your inner knowing—not external pressure
- Speak an empowering truth aloud, even just to yourself
- Place your Sovereignty Key where you'll see or touch it often

Say aloud or journal:

*"I rule my life in sacred truth.
I rise in power. I reign in peace."*

The Sovereign Self is not given—it is claimed.

I Call My Power Back

This spell helps you reclaim energy and authority you have given away—willingly or not—through relationships, trauma, self-doubt, obligation, or societal pressure. It invites your scattered power to return, purified and whole, to your body and energy field. Through sacred fire, breath, and visualization, this spell restores your energetic integrity and strengthens your sovereignty.

Preparation

Creating Sacred Space

Cleanse your space with incense, visualization, or breath. Arrange your tools with intention, knowing that this working marks a turning point in your energetic sovereignty.

Call in guides or higher aspects of yourself who support personal power, protection, and clarity. If casting a circle or declaring sacred space, do so now.

(Optional) Light your incense burner or charcoal disc and add a pinch of Manifest Success Herbal Blend to begin activating the energy.

Setting Intention

Close your eyes and place a hand on your solar plexus. Speak aloud:

*"I call back the power I have given away.
I reclaim my energy, my voice, my light."*

Feel the spaces within you that long to be filled with your own strength once again.

Spellworking

Use your crystal-accented herbal spoon to sprinkle Manifest Success Herbal Blend into the base of your candleholder. As you do, say:

*"Through earth and flame, my light returns—
What once was lost now brightly burns."*

Hold the Sovereignty Spell Candle in your hands. Breathe deeply and visualize glowing threads of power returning to you—unwinding from the people, places, or moments they were tied to. Say softly:

*"All that is mine returns to me—
Cleansed, restored, and powerfully free."*

Insert the candle into the herbal-filled holder and light it. As the flame rises, speak:

*"By fire and will, I draw back light—
My sacred power, my soul's right.
From past and shadow, role and name—
I now reclaim my inner flame."*

Sit or stand before the candle and stretch your hands outward, palms facing away. Then slowly turn your palms inward toward your heart or solar plexus.

Visualize glowing threads, flames, or currents of energy flying back into your body from the four directions—pure, golden, yours. As they return, chant:

*"I call it back. I draw it in.
My power returns. My reign begins."*

Repeat until you feel full, steady, and energetically anchored.
If using the Sovereignty Key Talisman, hold it tightly and say:

*"This key now holds what I reclaim—
My will, my strength, my sacred flame."*

Alternatively, place your reclaimed power into a token, charm, or crystal to carry with you or place on your altar.

Closing

When the energy feels complete, extinguish the candle or let it burn safely to completion.

Thank any allies, aspects of self, or energies that supported the work. If you cast a circle or invoked space, release it now. Stand tall. You are whole again.

Living in Accord

- Set boundaries where you've overgiven
- Speak or write your truth, even in small ways
- Carry your key or token as a daily reminder of your sovereignty
- Affirm aloud:

*"My power is my own.
I hold it wisely. I use it well."*

Claim Your Worth

This spell is designed to reaffirm and reclaim your intrinsic self-worth, dissolving internalized beliefs that suggest you're not enough, too much, or unworthy of your desires. Through candlelight, intention, and sacred declaration, you will align with your inner truth and declare your value—not as something to earn, but something that has always been yours.

Preparation

Create Sacred Space

Cleanse your space with breath, sound, or herbal smoke. Arrange your tools, placing the mirror where you can comfortably look into it during the ritual.

Call in energies or archetypes that honor personal worth—your Higher Self, ancestors who uplift you, deities of love or truth, or simply your own sacred presence.

(Optional) Light a charcoal disc or electric incense burner and sprinkle a small amount of Manifest Success Herbal Blend to bless the space with clarity and dignity.

Setting Intention

Take a moment to look into the mirror and meet your own gaze—not to judge, but to witness. Say aloud:

“I am worthy. I am whole. I am sacred.”

Place one hand on your heart and breathe into the center of your being.

Spellworking

Use your crystal-accented herbal spoon to sprinkle a small amount of Manifest Success Herbal Blend into the candleholder. As you do, say:

*“These sacred herbs now lift the veil—
I see my worth without fail.”*

Hold the Sovereignty Spell Candle in both hands. Visualize yourself being filled with a soft golden light—warm, strong, radiant. Whisper into the candle:

“I am enough. I have always been enough.”

Insert the candle into the herbal-filled holder.

Light the candle and speak:

*“By flame and truth, I claim my name—
I rise in worth, no guilt, no shame.
No mask to wear, no role to play—
I am my worth in full today.”*

Gaze into the mirror. Let your reflection anchor the spell. Begin to speak the following chant aloud—clearly, confidently, and with rising strength:

*“I am sacred. I am strong.
My worth is mine. It has been all along.”*

Repeat this 3 to 7 times—or more if needed.

As you chant, feel the energy rising within you. Let the words build momentum. Let them echo in your body. With each repetition, feel your posture shift, your voice strengthen, and your heart open.

Visualize your inner power returning to its rightful place—filling your body, lighting your aura, and crowning your spirit. If using the Sovereignty Key Talisman, hold it over your heart and say:

*“This key now holds what I reclaim—
My sacred worth, my truest name.”*

Or, hold your chosen token and imagine your worth shining into it. Wear or carry it as a reminder of your truth.

Closing

Extinguish the candle when ready, or allow it to burn completely in a safe space.

Thank your mirror image, your sacred self, and any guides or energies that held space for your rising. If you cast a circle or sacred container, gently release it now.

Living in Accord

- Speak kindly to yourself—even silently
- Say no when something doesn't honor your worth
- Let your token or key act as a daily reminder
- Repeat this affirmation:

*“My worth is not earned.
It is known. It is mine.
And I claim it.”*

Rise in Confidence

This spell is crafted to help you awaken and embody inner confidence—not as something performative, but as a steady flame lit from within. It's designed to dissolve self-doubt, strengthen self-trust, and amplify your natural presence so you can take up space, speak clearly, and step into visibility with authenticity and power.

Optional: Sovereignty Key Talisman **

Charcoal disc and fire-safe incense burner or electric incense burner
Fire-safe altar or workspace
Small piece of paper and pen (for writing affirmation)
* Included in the Sovereignty Spell Kit
** Optional Spell Kit Add-On

Preparation

Create Sacred Space

Cleanse your space with breath, herbs, or sound. Arrange your tools in a way that feels energizing and aligned. Call in supportive energies—your Higher Self, guides of courage, solar or fire deities, or any archetype that embodies radiant, empowered presence. (Optional) Light a charcoal disc or electric burner and sprinkle a pinch of Manifest Success Herbal Blend into the smoke to energize and activate the space.

Setting Intention

Place your hand on your solar plexus. Breathe in strength. Breathe out doubt. Say aloud:

*"I rise in confidence. I trust myself.
My light is needed. I step forward now."*

Let this intention anchor the energy of the spell.

Spellworking

Use your crystal-accented herbal spoon to place a small amount of the Manifest Success Herbal Blend into the base of your candleholder. Say:

*"With herbs of fire and golden flame—
I call my confidence by name."*

Hold the Sovereignty Spell Candle in both hands. Envision a golden flame within you—located just above your navel—growing brighter and stronger. Let your breath stoke this flame. Whisper into the candle:

*"I trust my voice. I trust my way.
I rise in power, every day."*

Insert the candle into the holder. Light the candle and speak:

*"By sacred flame and steady breath,
I rise in confidence, fear to rest.
No more hiding, no delay—
I am ready. I lead the way."*

On a small piece of paper, write a personal affirmation that declares your rising confidence. For example:

*"I speak with strength and truth."
"I move forward with power and grace."
"I am radiant and ready to be seen."*

Take several deep breaths and feel the energy building in your solar plexus—a golden flame of self-trust and presence. Now, hold the affirmation paper in both hands. With each breath, pour that rising energy into your written words. Let the paper become a vessel for your inner fire. Once you feel the charge complete, pass the paper through the candle's light (without burning), and then through the herbal smoke, saying:

*"With fire and breath, I claim my space—
I rise with boldness, truth, and grace."*

Place the affirmation somewhere visible—on your altar, mirror, or in your wallet or journal—to revisit and reaffirm as needed. If using the Sovereignty Key Talisman, hold it over your solar plexus and say:

*"This key unlocks my confident flame—
I shine with truth. I stand in name."*

Carry or wear it when you need courage or visibility.

Closing

When your energy feels bold and grounded, extinguish the candle with gratitude or allow it to burn safely to completion. Thank the flame, your written words, and the presence you summoned. Release your sacred space if cast.

Living in Accord

- Read your affirmation daily
 - Say yes to one opportunity that lights you up
 - Touch your key or affirmation card when you feel hesitation
- Affirm:

*"I rise in confidence.
I shine from within.
My presence is powerful, and I honor it."*
